

Recycle Household Hazardous Wastes

Bring your Household Hazardous Waste to a **FREE** drop-off event on **June 29, 2013**

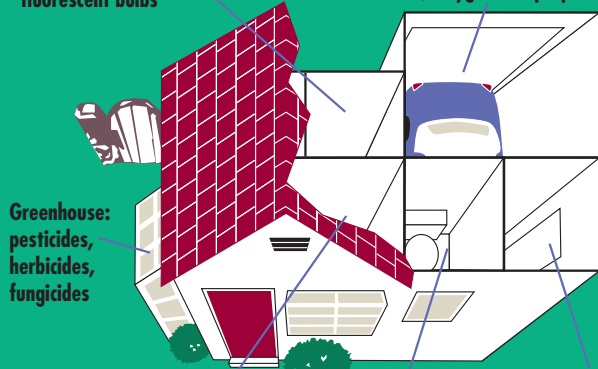

Bring up to 15 gallons or 125 pounds.
Online Appointments Available!

www.hhw.org or call 299-7300
for an appointment and the site location.

Where to find Household Hazardous Wastes

Throughout the house: household batteries, fluorescent bulbs

Garage: auto fluids (motor oil, brake fluid, coolant), used lead-acid batteries, pool chemicals. Small fire extinguishers, helium tanks, oxygen and propane cylinders

Greenhouse: pesticides, herbicides, fungicides

Kitchen: oven cleaners, drain openers, household cleaners

Bathroom: medicines, sharps, cleaning supplies, aerosol cans

Store room: oil-based paint, latex paint, paint thinner, varnish

WASTES NOT ACCEPTED:
Explosives and Ammunition
Radioactive Wastes

Business wastes accepted separately
Call 299-7300 for more information

**NO DUMPING
FLOWS TO BAY**

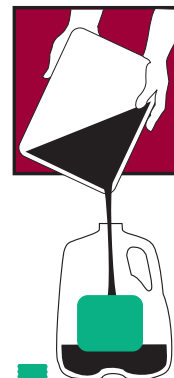

You are the solution to water pollution. And it's easy to prevent:

- Call 911 immediately when you see anyone dumping into creeks, gutters or storm drains
- Use a car wash or wash cars on the lawn. Empty soapy water into a sink or toilet
- Keep your car in tune and fix leaks promptly
- Keep leaves and grass clippings out of the gutter (single family customers: **recycle yard trims** using your **green cart!**)

Call the Stormwater Pollution Prevention Hotline: **586-2605**

Recycle used motor oil at the curb:

- Use only free jugs from Milpitas fire stations & Republic Services, 432-0444
- Set out jugs at the curb next to your recycle cart, but not in the street, on collection day
- Sorry, motor oil **NOT** collected at multi-family complexes

Recycle motor oil/filters, antifreeze, fluorescent bulbs, and household batteries at Milpitas businesses:

- Use containers with screw-top lids; **DO NOT** mix auto fluids
- **DO NOT** transport more than 5 gallons or 5 filters a day
